

**Hamilton Health Sciences is seeking a committed volunteer to serve on the  
HHS Board of Directors**

Hamilton Health Sciences (HHS) is currently inviting applications from interested citizens for appointment to its volunteer Board of Directors. The Board is comprised of dynamic, community-minded individuals with a passionate interest in health care and health care governance. The HHS Board is especially interested in individuals with executive level experience and expertise in Strategic IT, Human Resource Management/Transformational Change, and Quality Management. Previous governance and leadership experience in complex organizations is a definite asset. This volunteer position requires a significant time commitment, including attendance at Board and Committee meetings, as well as Board development and other activities.

Interested applicants should forward a current resume and cover letter outlining governance experience, community involvement, and relevant knowledge to:
